This letter is to ask you to do anything in your power to stop a proposed change by the Federal Communications Commission (FCC). It is PR Docket 92-235. My husband builds and flies radio controlled (R/C) model airplanes as a hobby. Although at times I feel he spends too much time at it, I am thankful that he has this hobby rather than doing a lot of other things that could be done.

One airplane club that he belongs to that meets in Moline, IL, has their flying field at Scott County Park in IA. Two years ago their flying field, which the members paid to pave, was taken away so that a golf course could be built. They were forced to find another site. Now the FCC is trying to take away part of the
